FRASERS PROPERTY TREASURY PTE. LTD.
Issue of up to S\$420,000,000 4.49 per cent. Green Notes due 2027 (subject to the Upsize Option)
unconditionally and irrevocably guaranteed by
Frasers Property Limited
under the S\$5,000,000,000 Multicurrency Debt Issuance Programme

This document constitutes the Pricing Supplement relating to the issue of Notes described herein.

Terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions of the Notes (the “**Conditions**”) set forth in the Offering Circular dated 26 August 2022. This Pricing Supplement shall be supplemented by, and read together with, a supplement (the “**Issue Details Supplement**”) substantially in the form set out in Appendix E hereto, to be issued on or before the Issue Date. This Pricing Supplement (as supplemented by the Issue Details Supplement) contains the final terms of the Notes and must be read in conjunction with such Offering Circular.

This offer to investors in Singapore under the Programme is made in reliance on an exemption granted by the Monetary Authority of Singapore (the “**MAS**”) pursuant to the Securities and Futures (Offers of Investments) (Exemption for Offers of Straight Debentures) Regulations 2016 (the “**Exemption Regulations for Straight Debentures**”). It is not made in or accompanied by a prospectus that is registered by the MAS. This document constitutes the pricing supplement referred to in the Exemption Regulations for Straight Debentures. This Pricing Supplement together with the base document constitute the simplified disclosure document referred to in the Exemption Regulations for Straight Debentures.

The Guarantor satisfies the requirements set out in Regulation 5(1) of the Exemption Regulations for Straight Debentures as follows:

- (i) **Listing Test:** At the time of the offer, all of the shares of the Guarantor are listed for quotation on the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”), and traded on the SGX-ST, and for a continuous period of at least five (5) years immediately before that time, all of those shares were so listed and traded.
- (ii) **Size Test:** The market capitalisation of the Guarantor is not less than S\$1 billion (or its equivalent in a foreign currency) for each of the 180 market days prior to the offer.
- (iii) **Credit Test:** Debentures issued in the period of five years immediately before the time of the offer by the Guarantor, or by entities wholly owned by the Guarantor satisfy both of the following:
 - (a) the total value of all of those debentures that are or were listed for quotation on the SGX-ST, as at the date they were issued, was not less than S\$1 billion (or its equivalent in a foreign currency); and
 - (b) there has not been a default in the repayment of monies under any of those debentures.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (“**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended, the “**Prospectus Regulation**”). Consequently, no key information document required by Regulation (EU) No 1286/2014 (the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (the “**FSMA**”) and any rules or regulations made under the FSMA to implement IDD, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by the PRIIPs Regulation as it forms part of domestic law by virtue of the EUWA (the “**UK PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

SINGAPORE SFA PRODUCT CLASSIFICATION – In connection with Section 309B of the Securities and Futures Act 2001 of Singapore (the “**SFA**”) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “**CMP Regulations 2018**”), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are prescribed capital markets products (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

Where interest, discount income, prepayment fee, redemption premium or break cost is derived from any of the Notes by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities (subject to certain conditions) under the Income Tax Act 1947 of Singapore (the “**ITA**”), shall not apply if such person acquires such Notes using the funds and profits of such person’s operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Notes is not exempt from tax (including for the reasons described above) shall include such income in a return of income made under the ITA.

AMENDMENTS TO THE TERMS AND CONDITIONS OF THE NOTES

The Terms and Conditions of the Notes are modified by the deletion of Condition 5(VI) in its entirety (appearing at pages 131 to 147 of the Offering Circular) and in substitution therefor, the insertion of a new Condition 5(VI) to cater for the determination of the Make-Whole Amount and benchmark reforms, including benchmark discontinuation and replacement, as follows:

"(VI) Determination of Make-Whole Amount

(i) Calculation

The Calculation Agent will, on the Make-Whole Amount Determination Date, calculate the Make-Whole Amount. The making of each calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(ii) Notification

The Calculation Agent will cause the Make-Whole Amount (if required to be calculated) to be notified to the Issuing and Paying Agent, the Trustee, the Issuer and the Guarantor as soon as practicable.

(iii) Failure to determine Make-Whole Amount

If the Calculation Agent does not at any material time determine or calculate the Make-Whole Amount, the Issuer shall use commercially reasonable endeavours to appoint a replacement Calculation Agent to do so. In doing so, the replacement Calculation Agent shall apply the provisions of the Conditions, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects, it shall do so in such manner as it shall in its sole opinion deem fair and reasonable in all the circumstances. If the Issuer is unable to appoint a replacement Calculation Agent after using commercially reasonable endeavours, or the replacement Calculation Agent appointed by it fails to calculate the Make-Whole Amount at any material time, the Issuer may (acting in good faith and in a commercially reasonable manner) do so or otherwise procure the calculation of the Make-Whole Amount. In doing so, the Issuer shall apply the provisions of the Conditions, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects, it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

(iv) Calculation Agent

If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to calculate the Make-Whole Amount, the Issuer will appoint another bank with an office in the Singapore to act as such in its place. The Calculation Agent may not resign from its duties without a successor having been appointed as aforesaid.

(v) Benchmark Discontinuation and Replacement

(A) Independent Adviser

Notwithstanding the provisions above in this Condition 5(VI), if a Benchmark Event occurs in relation to an Original Reference Rate when any Make-Whole Amount (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the Issuer shall use commercially reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine the Benchmark Replacement (in accordance with Condition 5(VI)(v)(B) below) and an Adjustment Spread, if any (in accordance with Condition 5(VI)(v)(C) below), and any Benchmark Amendments (in accordance with Condition 5(VI)(v)(D) below) by the Make-Whole Amount Determination Date. An Independent Adviser appointed pursuant to this Condition 5(VI)(v) as an expert shall act in good faith and in a commercially reasonable manner and in consultation with the Issuer. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Issuing and Paying Agent, the Securityholders or the Couponholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer, pursuant to this Condition 5(VI).

If the Issuer is unable to appoint an Independent Adviser after using commercially reasonable endeavours, or the Independent Adviser appointed by it fails to determine the Benchmark Replacement prior to the relevant Make-Whole Amount Determination Date, the Issuer (acting in good faith and in a commercially reasonable manner) may determine the Benchmark Replacement (in accordance with Condition 5(VI)(v)(B) below) and an Adjustment Spread if any (in accordance with Condition 5(VI)(v)(C) below) and any Benchmark Amendments (in accordance with Condition 5(VI)(v)(D) below).

(B) Benchmark Replacement

The Benchmark Replacement determined by the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) shall (subject to adjustment as provided in Condition 5(VI)(v)(C) below) subsequently be used in place of the Original Reference Rate to determine the Make-Whole Amount (or the relevant component part thereof) (subject to the operation of this Condition 5(VI)).

(C) Adjustment Spread

If the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be) determines that: (i) an Adjustment Spread is required to be applied to the Benchmark Replacement; and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Benchmark Replacement.

(D) Benchmark Amendments

If the Independent Adviser (in consultation with the Issuer) or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be) determines that: (i) amendments to these Conditions and/or the Trust Deed and/or the Agency Agreement are necessary to ensure the proper operation of such Benchmark Replacement and/or Adjustment Spread (such amendments, the “**Benchmark Amendments**”); and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 5(VI)(v)(E) below, without any requirement for the consent or approval of Securityholders, vary the Conditions, the Trust Deed and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by a director or an authorised signatory of the Issuer pursuant to Condition 5(VI)(v)(E) below, the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Securityholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in the Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

For the avoidance of doubt, the Trustee and the Agents shall, at the direction and expense of the Issuer, effect such consequential amendments to the Trust Deed, the Agency Agreement and the Conditions as may be required in order to give effect to this Condition 5(VI). Securityholders' consent shall not be required in connection with effecting the Benchmark Replacement or such other changes, including for the execution of any documents or other steps by the Trustee, the Calculation Agent, the Paying Agents, the Registrars or the Transfer Agents (if required).

In connection with any such variation in accordance with this Condition 5(VI)(v)(D), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(E) Notices, etc.

Any Benchmark Replacement, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 5(VI)(v) will be notified promptly by the Issuer to the Trustee, the Calculation Agent, the Issuing and Paying Agent and, in accordance with Condition 16, the Securityholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by a duly authorised officer of the Issuer:

- (i) confirming that (1) a Benchmark Event has occurred, (2) the Benchmark Replacement and, (3) where applicable, any Adjustment Spread and/or the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 5(VI)(v); and
- (ii) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Benchmark Replacement and/or Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Benchmark Replacement and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Benchmark Replacement and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Issuing and Paying Agent and the Securityholders.

(F) Survival of Original Reference Rate

Without prejudice to the obligations of the Issuer under Conditions 5(VI)(v)(A), 5(VI)(v)(B), 5(VI)(v)(C) and 5(VI)(v)(D) above, the Original Reference Rate and the fallback provisions provided for in the Conditions will continue to apply unless and until the Calculation Agent has been notified of the Benchmark Replacement, and any Adjustment Spread and Benchmark Amendments, in accordance with Condition 5(VI)(v)(E) above.

(G) Definitions

As used in this Condition 5(VI):

“**Adjustment Spread**” means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser (in consultation with the Issuer) or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be) determines is required to be applied to the Benchmark Replacement to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Securityholders and Couponholders as a result of the replacement of the Original Reference Rate with the Benchmark Replacement and is the spread, formula or methodology which:

- (i) is formally recommended in relation to the replacement of the Original Reference Rate with the applicable Benchmark Replacement by any Relevant Nominating Body; or
- (ii) the Independent Adviser (in consultation with the Issuer) or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be) determines to be appropriate.

“**Alternative Rate**” means an alternative benchmark or screen rate which the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be) determines in accordance with Condition 5(VI)(v)(B) above has replaced the Original Reference Rate for the Corresponding Tenor in customary market usage in the international or if applicable, domestic debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for the same interest period and in the same currency as the Notes (including, but not limited to, Singapore Government Bonds).

“**Benchmark Amendments**” has the meaning given to it in Condition 5(VI)(v)(d).

“**Benchmark Event**” means:

- (i) the Original Reference Rate ceasing to be published for a period of at least five Singapore business days or ceasing to exist; or
- (ii) a public statement by the administrator of the Original Reference Rate that it has ceased or will, by a specified date within the following six months, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or
- (iii) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been or will, by a specified date within the following six months, be permanently or indefinitely discontinued; or
- (iv) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been prohibited from being used or that its use has been subject to restrictions or adverse consequences, or that it will be prohibited from being used or that its use will be subject to restrictions or adverse consequences within the following six months; or
- (v) it has become unlawful for the Issuing and Paying Agent, the Calculation Agent, the Issuer or any other party to calculate any payments due to be made to any Securityholder using the Original Reference Rate; or
- (vi) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate is no longer representative or will, by a specified date within the following six months, be deemed to be no longer representative of its relevant underlying market,

provided that the Benchmark Event shall be deemed to occur (a) in the case of sub-paragraphs (ii) and (iii) above, on the date of the cessation of publication of the Original Reference Rate or the discontinuation of the Original Reference Rate, as the case may be, (b) in the case of subparagraph (iv) above, on the date of the prohibition or restriction of use of the Original Reference Rate and (c) in the case of sub-paragraph (vi) above, on the date with effect from which the Original Reference Rate will no longer be (or will be deemed to no longer be) representative and which is specified in the relevant public statement, and, in each case, not the date of the relevant public statement.

“**Benchmark Replacement**” means the Interpolated Benchmark, provided that if the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be) cannot determine the Interpolated Benchmark by the Make-Whole Amount Determination Date, then “Benchmark Replacement” means the first alternative set forth in the order below that can be determined by the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be):

- (i) Term SORA;
- (ii) Compounded SORA;
- (iii) the Successor Rate; and
- (iv) the Alternative Rate.

“**Compounded SORA**” means the compounded average of SORAs for the applicable Corresponding Tenor, with the rate, or methodology for this rate, and conventions for this rate (which will be compounded in arrears with the selected mechanism to determine the interest amount payable prior to the end of each Interest Period) being established by the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be) in accordance with:

- (i) the rate, or methodology for this rate, and conventions for this rate selected or recommended by the Relevant Nominating Body for determining Compounded SORA; provided that:
- (ii) if, and to the extent that, the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A) above) (as the case may be) determines that Compounded SORA cannot be determined in accordance with clause (i) above, then the rate, or methodology for this rate, and conventions for this rate that have been selected by the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A)) (as the case may be) giving due consideration to any industry-accepted market practice for the relevant Singapore dollar denominated notes at such time.

“**Corresponding Tenor**” with respect to a Benchmark Replacement means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current Original Reference Rate.

“**Independent Adviser**” means an independent financial institution of good repute or an independent financial adviser with experience in the local or international debt capital markets appointed by and at the cost of the Issuer under Condition 5(VI)(v)(A) above.

“**Interpolated Benchmark**” with respect to the Original Reference Rate means the rate determined for the Corresponding Tenor by interpolating on a linear basis between: (1) the Original Reference Rate for the longest period (for which the Original Reference Rate is available) that is shorter than the Corresponding Tenor; and (2) the Original Reference Rate for the shortest period (for which the Original Reference Rate is available) that is longer than the Corresponding Tenor.

“**Original Reference Rate**” means, initially, SORA OIS (being the originally-specified reference rate of applicable tenor used to determine the Make-Whole Amount) or any component part thereof, provided that if a Benchmark Event has occurred with respect to SORA OIS or the then-current Original Reference Rate, then “Original Reference Rate” means the applicable Benchmark Replacement.

“**Relevant Nominating Body**” means, in respect of a benchmark or screen rate (as applicable):

- (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (ii) any working group or committee sponsored by, chaired or cochaired by or constituted at the request of (1) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (2) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (3) a group of the aforementioned central banks or other supervisory authorities or (4) the Financial Stability Board or any part thereof.

“**SORA**” or “**Singapore Overnight Rate Average**” with respect to any Singapore Business Day means a reference rate equal to the daily Singapore Overnight Rate Average published by the Monetary Authority of Singapore (or a successor administrator), as the administrator of the benchmark, on the Monetary Authority of Singapore’s website currently at <http://www.mas.gov.sg>, or any successor website officially designated by the Monetary Authority of Singapore (or as published by its authorised distributors) on the Singapore Business Day immediately following such Singapore Business Day.

“**Successor Rate**” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body as the replacement for the Original Reference Rate for the applicable Corresponding Tenor.

“**Term SORA**” means the forward-looking term rate for the applicable Corresponding Tenor based on SORA that has been selected or recommended by the Relevant Nominating Body, or as determined by the Independent Adviser or the Issuer (in the circumstances set out in Condition 5(VI)(v)(A)) (as the case may be) having given due consideration to any industry-accepted market practice for the relevant Singapore dollar denominated notes.”

Appendix B – Supplementary Disclosures

The Offering Circular is hereby supplemented with the following information, which shall be deemed to be incorporated in, and to form part of, the Offering Circular. Save as otherwise defined herein, terms defined in the Offering Circular have the same meaning when used in this Schedule.

1. The second and third paragraphs appearing on page 2 of the Offering Circular shall be deleted in its entirety and replaced as follows:

“This Offering Circular, the relevant Pricing Supplement and the relevant Product Highlights Sheet (if any) and/or any other document or information (or any part thereof) delivered or supplied under or in relation to the Programme shall not be deemed to constitute an offer of, or an invitation by or on behalf of the Issuer, the Guarantor or the Dealers to subscribe for, or purchase, any Securities in any jurisdiction or under any circumstances in which such offer or invitation is unlawful, or not authorised, or to any person to whom it is unlawful to make such offer or invitation.

This Offering Circular, the relevant Pricing Supplement and the relevant Product Highlights Sheet (if any) and any other documents or materials in relation to the issue, offering or sale of the Securities have been prepared solely for the purpose of the initial sale by the relevant Dealer(s) of the Securities from time to time to be issued pursuant to the Programme. This Offering Circular, the relevant Pricing Supplement, the relevant Product Highlights Sheet (if any) and any other documents or material in relation to the issue, offering or sale of the Securities are made available to the recipients thereof solely on the basis that they are persons falling within the ambit of Sections 274 and/or 275 of the Securities and Futures Act 2001 of Singapore (the “**SFA**”) or in respect of offers made pursuant to the Exemption Regulations for Straight Debentures or Exemption Regulations for Post-Seasoning Debentures, and may not be relied upon by any person other than persons to whom the Securities are sold or with whom they are placed by the Arrangers and Dealers or for any other purpose. Recipients of this Offering Circular, the relevant Pricing Supplement or the relevant Product Highlights Sheet (if any) shall not reissue, circulate or distribute this Offering Circular, the relevant Pricing Supplement, the relevant Product Highlights Sheet (if any) or any part thereof in any manner whatsoever.”

2. The section entitled “*Documents Incorporated by Reference*” appearing on page 18 of the Offering Circular shall be amended by deleting the second paragraph in its entirety and replacing with the following:

“In respect of offers of Retail Notes, prospective investors should refer to this Offering Circular (and any amendment or supplement thereto), the Pricing Supplement and Product Highlights Sheet in respect of such offer. The relevant Pricing Supplement shall be deemed to be incorporated in, and to form part of, this Offering Circular and which shall be deemed to modify or supersede the contents of this Offering Circular to the extent that a statement contained in any such document is inconsistent with such contents.”

3. The section entitled “*Risk Factors – Risks Relating to the Securities Issued Under the Programme*” appearing on pages 78 to 83 of the Offering Circular shall be deemed to be supplemented with the following:

“The Notes may not be a suitable investment for all investors seeking exposure to green assets

The Issuer has developed the FPTPL Green Finance Framework, which sets out how the Issuer intends to enter into green finance transactions to fund projects which will deliver environmental benefits. No assurance is given by the Issuer or the Guarantor that the use of such proceeds for any Eligible Projects (as set out in the FPTPL Green Finance Framework) will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations, by its own by-laws, other governing rules or investment portfolio mandates.

The Issuer has received from Deloitte & Touche LLP an independent limited assurance report dated 22 April 2022 (the “**Report**”) on the FPTPL Green Finance Framework, where the overarching criteria and guidelines of the FPTPL Green Finance Framework are in accordance to the Green Bond Principles 2021 issued by the International Capital Markets Association as well as the Green Loan Principles 2021 issued by the Loan Market Association, Asia Pacific Loan Market Association and Loan Syndications and Trading Association (collectively the “**Principles**”).

The Report is not incorporated into, and does not form part of, the Offering Circular, the Pricing Supplement or the Product Highlights Sheet (as defined below). None of the Issuer, the Guarantor, the Group or the Dealers makes any representation as to the suitability of the Report or the Notes to fulfil such environmental and sustainability criteria. Prospective investors should have regard to the factors described in the Offering Circular and in the “Use of Proceeds” section below regarding the use of proceeds. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Pricing Supplement and the Offering Circular regarding the use of proceeds, and its purchase of Notes should be based upon such investigation as it deems necessary.

The Report and any further assurance statement or third-party opinion that may be issued (collectively, the “**Assurance Reports**”) may not reflect the potential impact of all risks related to the structure, market and other factors that may affect the value of the Notes. The Assurance Reports are not a recommendation to buy, sell or hold securities and are only current as of the date that they were initially issued. The Assurance Reports are for information purposes only and none of the Issuer, the Guarantor, the Group, the Dealers or the person issuing the Assurance Reports accepts any form of liability for the substance of such Assurance Reports and/or any liability for loss arising from the use of such Assurance Reports and/or the information provided therein.

Further, although the Issuer may agree at the Issue Date to allocate the net proceeds of the issue of the Notes towards the financing and/or refinancing of Eligible Projects in accordance with certain prescribed eligibility criteria as described under the FPTPL Green Finance Framework, it would not be an event of default under the Notes if: (i) the Issuer were to fail to comply with such obligations or were to fail to use the proceeds in the manner specified in this Pricing Supplement; (ii) the Report issued in connection with the FPTPL Green Finance Framework were to be withdrawn; and/or (iii) the Notes were to fail to meet the investment requirements of certain environmentally focused investors regarding any “green” or similar labels with respect to such Notes. A withdrawal of the Report, any loss of qualification as a green asset under any relevant principles or guidelines, or any failure by the Issuer to use the net proceeds from the Notes on Eligible Projects or to meet or continue to meet the investment requirements of certain environmentally focused investors with respect to such Notes may affect the value of the Notes and/or may have consequences for certain investors with portfolio mandates to invest in green assets (which consequences may include the need to sell the Notes as a result of the Notes not falling within the investor’s investment criteria or mandate).

There is no current market consensus on what constitutes a “green” project

There is no current market consensus on what precise attributes are required for a particular project to be defined as “green” and therefore the Eligible Projects may not meet the criteria and expectations of all investors regarding environmental impact. Although the underlying projects have been selected in accordance with the categories recognised by the Principles and will be developed in accordance with relevant legislation and standards, there can be no guarantee that adverse environmental impacts will not occur during the design, construction, commissioning and operation of the projects. In addition, where negative impacts are insufficiently mitigated, the projects may become controversial, and/or may be criticised by activist groups or other stakeholders. The Issuer may not meet or continue to meet the investment requirements of certain environmentally focused investors with respect to the Notes, which may also have consequences for certain investors with portfolio mandates to invest in green assets. Each potential purchaser of the Notes should determine for itself the relevance of the information contained in the Offering Circular, the Pricing Supplement and the Product Highlights Sheet regarding the use of proceeds of the Notes.

While it is the intention that the proceeds of any Notes so specified for Eligible Projects be applied by the Issuer in the manner described below under the section “Use of Proceeds”, there can be no assurance that the relevant project(s) or use(s) the subject of, or related to, any Eligible Projects will be capable of being implemented in, or substantially in, such manner and/or in accordance with any timing schedule and that accordingly such proceeds will be totally or partially disbursed for such projects. Nor can there be any assurance that such Eligible Projects will be completed within any specified period or at all or with the results or outcome (whether or not related to the environment) as originally expected or anticipated by the Issuer.”

4. The risk factor entitled “*The Guarantee provided by the Guarantor will be subject to certain limitations on enforcement and may be limited by applicable laws or subject to certain defences that may limit its validity and enforceability*” appearing on page 81 of the Offering Circular shall be deleted in its entirety.
5. The risk factor entitled “*Securities issued under the Programme have no current active trading market and may trade at a discount to their initial offering price and/or with limited liquidity*” appearing on page 90 of the Offering Circular shall be amended in the following manner (insertions underlined):

“Securities issued under the Programme have no current active trading market and may trade at a discount to their initial offering price and/or with limited liquidity

Securities issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single Series with a Tranche of Securities which is already issued). If the Securities are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer and/or the Guarantor. If the Securities are trading at a discount, investors may not be able to receive a favourable price for their Securities, and in some circumstances investors may not be able to sell their Securities at all or at their fair market value. Although an application has been made for the Securities issued under the Programme to be admitted to listing on the SGX-ST, there is no assurance that such application will be accepted, that any particular Tranche of Securities will be so admitted or that an active trading market will develop. In addition, the market for investment grade and crossover grade debt¹ has been subject to disruptions that have caused volatility in prices of securities similar to the Securities issued under the Programme. Accordingly, there is no assurance as to the development or liquidity of any trading market, or that disruptions will not occur, for any particular Tranche of Securities.

Notes offered under the Seasoning Framework may be seasoned for trading by Retail Investors on the Main Board of the SGX-ST after the end of the Seasoning Period. There is no assurance that the Notes will be successfully seasoned or that the Issuer and/or the Guarantor will continue to satisfy the exemptions under the Exemption Regulations for Post-Seasoning Debentures for that purpose or that successful seasoning of the Notes will result in increased trading liquidity in such Notes.

¹ This refers to a situation in which a bond is speculative grade but very close to investment grade or vice versa. It often refers to a split rating in which one credit rating agency gives the bond an investment grade rating and another gives it a junk rating.”

6. The sub-section entitled “*Optimising capital productivity through REIT platforms and active asset management initiatives*” appearing on page 237 of the Offering Circular shall be amended in the following manner (insertions underlined and deletions struck-through):

“Optimising capital productivity through REIT platforms and active asset management initiatives

8. The sub-section entitled “Renounceable rights issue of up to 1,085,291,114 new ordinary shares in the capital of FPL” appearing on page 281 of the Offering Circular shall be amended by the insertion of the following statement at the end of the sub-section:

“In summary, as at the Latest Practicable Date, FPL has approximately S\$505 million of unutilised proceeds from the Rights Issue. Proceeds from the Rights Issue have been allocated in the following manner:

- (i) S\$700 million to be used for acquisition, investment, capital expenditure and development of industrial, logistics and business part assets;
- (ii) S\$250 million to be used for the establishment of private funds or joint ventures or similar arrangement to invest in property assets (including commercial and ancillary assets); and
- (iii) approximately S\$210 million may be used for general corporate purposes, including working capital, transaction costs, strategic investments, acquisitions, fixed commitments, and development or redevelopment of existing assets.

While FPL has unutilised proceeds from the Rights Issue, the Group has green financing requirements which exceed the amounts allocated. Therefore, the Group is raising funds from this green issuance to finance or refinance, in whole or in part, Eligible Projects as described in the Issuer’s Green Finance Framework.”

9. The last paragraph appearing on page 306 of the Offering Circular shall be amended in the following manner (insertions underlined and deletions struck-through):

“Prospective investors who wish to open an individual Securities Account with CDP directly must submit their application online through CDP’s website at <https://investors.sgx.com>. ~~The processing time for the application of a new CDP account with direct crediting service will take within two business days, if the application is in order and if no further information is required from CDP.~~”

No person acting or purporting to act on behalf of a deceased person is allowed to apply under a Securities Account in the name of the deceased person at the time of application.
7. The Issuer and the Guarantor will not recognise the existence of any trust. Any application by a trustee or trustees must be made in his/their own name(s) and without qualification.
8. **IF YOU ARE MAKING AN ELECTRONIC APPLICATION FOR THE PUBLIC OFFER NOTES, YOU MUST MAINTAIN A SECURITIES ACCOUNT WITH CDP IN YOUR OWN NAME AT THE TIME OF APPLICATION. IF YOU DO NOT HAVE AN EXISTING SECURITIES ACCOUNT WITH CDP IN YOUR OWN NAME AT THE TIME OF APPLICATION, YOU WILL NOT BE ABLE TO COMPLETE YOUR ELECTRONIC APPLICATION. IF YOU HAVE AN EXISTING SECURITIES ACCOUNT WITH CDP BUT FAIL TO PROVIDE YOUR SECURITIES ACCOUNT NUMBER OR PROVIDE AN INCORRECT SECURITIES ACCOUNT NUMBER IN YOUR ELECTRONIC APPLICATION, AS THE CASE MAY BE, YOUR APPLICATION IS LIABLE TO BE REJECTED.**

Prospective investors who wish to open a Securities Account with CDP directly must submit their application online through CDP's website at <https://investors.sgx.com/>. The processing of an application for a new CDP account with direct crediting service may take some time and investors who are unable to open a Securities Account with CDP in time will not be able to apply for the Public Offer Notes.

Prospective investors can also call CDP's 24-hour automated answering service at +65 6535 7511 for more information or refer to CDP's website at <https://www.sgx.com/cdp-customer-service> on customer service operating hours and related CDP account services. Information on CDP's website does not constitute a part of the Offering Circular or this Pricing Supplement.

9. **NOMINEE APPLICATIONS MAY ONLY BE MADE BY APPROVED NOMINEE COMPANIES.** Approved nominee companies are defined as banks, merchant banks, finance companies, insurance companies, licensed securities dealers in Singapore and nominee companies controlled by them. Applications made by nominees other than approved nominee companies shall be rejected.
10. Subject to paragraphs 12, 15 and 17 below, your application is liable to be rejected if any of your particulars such as your name, National Registration Identity Card (“**NRIC**”) number or passport number or company registration number, nationality and permanent residence status, and Securities Account number contained in the records of the relevant Participating Bank at the time of your Electronic Application or furnished in your Placement Application, as the case may be, differs from the particulars in your Securities Account as maintained by CDP. If you have more than one individual direct Securities Account with CDP, your application shall be rejected.
11. **CDP Securities Account holders will be able to check on the status of their application by logging in to the CDP Internet portal at <https://investors.sgx.com>. CDP will also be sending an electronic confirmation note to investors who have email addresses registered with CDP and who have successfully been allotted the Public Offer Notes. Investors who do not have email addresses registered with CDP and who opt to receive physical confirmation should ensure that their address registered with CDP is up to date, failing which the notification on successful allocation from CDP may be sent to your address last registered with CDP.**
12. The Issuer and the Guarantor reserve the right to reject any application for Notes where the Issuer and/or the Guarantor believe or have reason to believe that such applications may violate the securities laws of any jurisdiction.
13. No person in any jurisdiction outside Singapore receiving the Offering Circular, this Pricing Supplement and the Product Highlights Sheet may treat the same as an offer or invitation to subscribe for any Notes unless such an offer or invitation could lawfully be made without compliance with any regulatory or legal requirements in those jurisdictions.
14. The Offering Circular, this Pricing Supplement and the Product Highlights Sheet have not been and will not be registered in any jurisdiction. The distribution of the Offering Circular, this Pricing Supplement and the Product Highlights Sheet may be prohibited or restricted (either absolutely or unless various relevant securities requirements, whether legal, administrative or otherwise, are complied with) in certain jurisdictions under the relevant securities laws of those jurisdictions. Without limiting the generality of the foregoing, neither the Offering Circular, this Pricing Supplement, the Product Highlights Sheet nor any copy thereof may be published or distributed, directly or indirectly, in whole or in part, in or into the United States or to U.S. persons (as defined in Regulation S under the United States Securities Act of 1933, as amended (“**Regulation S**” and the “**Securities Act**”, respectively)) and they do not constitute an offer of securities for sale into the United States or any jurisdiction in which such offer is not authorised or to any person to whom it is unlawful to make such an offer. The Notes have not been and will not be registered under the Securities Act or under any securities laws of any state or other jurisdiction of the United States, and may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of a person within the United States or a U.S. person (as defined in Regulation S). The Notes are being offered, sold or delivered outside the United States in “offshore transactions” (as defined in Regulation S) to non-U.S. persons in reliance on, and in compliance with, Regulation S. You represent, acknowledge and agree that you are not a U.S. person (as defined in Regulation S) or acting for the account or benefit of a person within the United States or a U.S. person (as defined in Regulation S), and are purchasing the Notes in an “offshore transaction” (as defined in Regulation S) and represent, acknowledge and agree that such purchase is not a result of any directed selling efforts (as defined in Regulation S) in the United States. There will be no offer of the Notes in the United States. Any failure to comply with this restriction may constitute a violation of the United States securities laws.

15. The Issuer and the Guarantor reserve the right to reject any application which does not conform strictly to the instructions set out in the Offering Circular and this Pricing Supplement or which does not comply with the instructions for the Electronic Application or with the terms and conditions of the Offering Circular and this Pricing Supplement or which is accompanied by an improperly drawn or improper form of remittance. The Issuer and the Guarantor further reserve the right to treat as valid any application not completed or submitted or effected in all respects in accordance with the instructions set out in the Offering Circular and this Pricing Supplement and in the Electronic Application and also to present for payment or other processes all remittances at any time after receipt and to have full access to all information relating to, or deriving from, such remittances or the processing thereof.
16. Without prejudice to the rights of the Issuer and the Guarantor, the Joint Lead Managers and Bookrunners, as agents of the Issuer and the Guarantor, have been authorised to accept, for and on behalf of the Issuer and the Guarantor, such other forms of application as the Joint Lead Managers and Bookrunners may deem appropriate.
17. The Issuer, the Guarantor and the Joint Lead Managers and Bookrunners reserve the right to reject or accept any application in whole or in part, or to scale down or ballot any application, without assigning any reason therefor, and no enquiry and/or correspondence on their decision will be entertained. This right applies to all applications for the Notes.

The Issuer shall not be under any obligation to issue any Notes if the Allocation Condition is not satisfied. Subject to the Allocation Condition, if the Public Offer and/or the Placement is oversubscribed, the Issuer and the Guarantor may, in consultation with the Joint Lead Managers and Bookrunners and subject to mutual agreement between the Issuer and the Joint Lead Managers and Bookrunners, and prior to the Issue Date (i) increase the issue size of the Notes under the Public Offer and/or the Placement and (ii) determine the final allocation of such oversubscription between the Public Offer and the Placement, such that the maximum issue size under the Public Offer and the Placement shall not exceed S\$650 million in aggregate principal amount of the Notes. Subject to the Allocation Condition, the Issuer and the Guarantor may, at their discretion and in consultation with the Joint Lead Managers and Bookrunners, re-allocate and/or determine the final allocation of the aggregate principal amount of Notes offered between the Public Offer and the Placement.

18. Unless indicated otherwise, all information in the Offering Circular, this Pricing Supplement and the Product Highlights Sheet assumes that no Notes have been re-allocated between the Public Offer and the Placement.
19. The Global Certificate representing the Notes will be registered in the name of CDP and will be forwarded only to CDP. Upon crediting of the Notes allocated and issued to you to your Securities Account (after 5 p.m. one Market Day before the Notes are listed on the Main Board of the SGX-ST), CDP Securities Account holders will be able to view the crediting statement by logging in to the CDP Internet portal at <https://investors.sgx.com>. Investors who have email addresses registered with the CDP will receive an electronic confirmation on the crediting date. For investors who do not have email addresses registered with CDP and who opt to receive physical notification, it is expected that CDP will send a physical confirmation to you within three Market Days after the date on which the Notes are credited. This will be the only acknowledgement of application moneys received and is not an acknowledgement by the Issuer or the Guarantor. You irrevocably consent to the collection, use and disclosure of your name, NRIC number or passport number or company registration number, address, nationality, permanent residence status, Securities Account number and application amount from your account with the relevant Participating Bank to the SGX-ST, CDP, Securities Clearing and Computer Services (Pte) Ltd (“SCCS”), the Issuer, the Guarantor, the Joint Lead Managers and Bookrunners, and other authorised operators (the “**Relevant Parties**”). You further irrevocably authorise CDP to complete and sign on your behalf as transferee or renounce any instrument of transfer and/or other documents required for the transfer of the Notes allotted to you. These authorisations apply to all applications for the Notes where applicable.

20. In the case of an ATM Electronic Application, by pressing the “Enter” or “OK” or “Confirm” or “Yes” key or any other relevant key on the ATM of any relevant Participating Bank or, in the case of an Internet Electronic Application by clicking “Submit”, “OK” or “Continue” or “Yes” or “Confirm” or any other relevant button on the internet banking website (“**IB website**”) screen of DBS Bank, OCBC or UOB, or in the case of an mBanking Application, by transmitting “Submit” or “Continue” or “Yes” or “Confirm” or any other relevant icon via the mBanking Interface of DBS Bank or UOB, in each case in accordance with the provisions herein or, in the case of an application under the Placement, by submitting a Placement Application through the Joint Lead Managers and Bookrunners, you:
- (a) irrevocably agree and undertake to subscribe for the principal amount of Notes specified in your application (or such smaller principal amount for which the application is accepted) at the Issue Price and agree that you will accept such principal amount of Notes as may be allocated to you, in each case on the terms of, and subject to the conditions set out in, the Offering Circular and this Pricing Supplement;
 - (b) agree that where new circumstances arise or changes in the affairs of the Issuer, the Guarantor or the Group occur after the date of this Pricing Supplement but prior to the issue of the Notes, and are material, or are required to be disclosed by law and/or the rules of the SGX-ST, and the Issuer makes an announcement or any other disclosure of the same to the SGX-ST, your application for the Notes which was received by the Issuer and the Guarantor prior to the release of such announcement will remain valid and irrevocable notwithstanding the release of such announcement. If a supplementary or replacement document is lodged, such supplementary or replacement document will set out the additional terms and conditions relating to applications for the Notes and applications received by the Issuer and the Guarantor prior to the lodgement of such supplementary or replacement document will be subject to such terms and conditions;
 - (c) agree that in the case of any inconsistency between the terms, conditions and procedures for application and acceptance set out in this Pricing Supplement and those set out in the ATMs or internet banking websites of the relevant Participating Banks or the mBanking Interface of DBS Bank or UOB, the terms, conditions and procedures set out in such ATMs, internet banking websites or mBanking Interface shall prevail;
 - (d) in the case of an application for the Public Offer Notes, agree that the Public Offer Notes are payable in full upon application;
 - (e) in the case of an application for the Placement Notes, agree that the Placement Notes are payable in full on or about the Issue Date, unless otherwise agreed by the Issuer, the Guarantor and the Joint Lead Managers and Bookrunners;
 - (f) consent to the collection, use and disclosure of your name, NRIC number or passport number or company registration number, address, nationality, permanent residence status, Securities Account number and application amount from your account with the relevant Participating Bank and other personal data (“**Personal Data**”) to the Relevant Parties for the purpose of facilitating your application for the Notes, and warrant that where you, as an approved nominee company, disclose the Personal Data of the beneficial owner(s) to the Relevant Persons, such disclosure is in compliance with all applicable laws;
 - (g) warrant the truth and accuracy of the information contained, and representations and declarations made, in your application, and acknowledge and agree that such information, representations and declarations will be relied on by the Issuer, the Guarantor and the Joint Lead Managers and Bookrunners in determining whether to accept your application and/or whether to allocate any Notes to you;
 - (h) agree and warrant that, if the laws of any jurisdictions outside Singapore are applicable to your application, you have complied with all such laws and the Issuer, the Guarantor and the Joint Lead Managers and Bookrunners will not infringe any such laws as a result of the acceptance of your application;
 - (i) agree and confirm that you are outside the United States and not a U.S. person (as defined in Regulation S); and

- (j) acknowledge and understand that the Notes have not been and will not be registered under the Securities Act or under any securities laws of any state or other jurisdiction of the United States and may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, a person within the United States or a U.S. person (as defined in Regulation S). The Notes are being offered, sold or delivered outside the United States in “offshore transactions” (as defined in Regulation S) to non-U.S. persons in reliance on, and in compliance with, Regulation S. You represent, acknowledge and agree that you are not a U.S. person (as defined in Regulation S) or acting for the account or benefit of a person within the United States or a U.S. person (as defined in Regulation S), and are purchasing the Notes in an “offshore transaction” (as defined in Regulation S) and represent, acknowledge and agree that such purchase is not a result of any directed selling efforts (as defined in Regulation S) in the United States. There will be no offer of the Notes in the United States. Any failure to comply with this restriction may constitute a violation of the United States’ securities laws.
21. You irrevocably authorise CDP to disclose the outcome of your application, including the principal amount of Notes allocated to you pursuant to your application, to the Issuer, the Guarantor, the Joint Lead Managers and Bookrunners and/or any other parties so authorised by CDP, the Issuer, the Guarantor and/or the Joint Lead Managers and Bookrunners.
22. No application will be held in reserve.
23. No Notes shall be allotted or allocated on the basis of this Pricing Supplement later than six months after the date of this Pricing Supplement.
24. Additional terms and conditions for applications by way of Electronic Applications are set out in the section on “Additional Terms, Conditions and Procedures for Electronic Applications” on page 30.
25. Any reference to “you” or the “applicant” in this section shall include an individual applying for the Public Offer Notes by way of an Electronic Application or an individual, a corporation, an approved nominee company or trustee applying for the Placement Notes (or in such other manner or method as the Joint Lead Managers and Bookrunners will determine, at their discretion).

 - (c) that the Electronic Application made is your only application for the Public Offer Notes and it is made in your own name and at your own risk.
10. Your application will not be successfully completed and cannot be recorded as a completed transaction unless you press the “Enter” or “OK” or “Confirm” or “Yes” key or any other relevant key on the ATM or click “Confirm” or “OK” or “Submit” or “Continue” or “Yes” or any other relevant button on the IB website screen or the mBanking Interface. 12. You must have sufficient funds in your bank account with the relevant Participating Bank at the time you make your ATM Electronic Application, Internet Electronic Application or mBanking Application, failing which such Electronic Application will not be completed. **Any Electronic Application which does not conform strictly to the instructions set out in this Pricing Supplement or on the screens of the ATMs of the relevant Participating Bank, the IB websites of DBS Bank, OCBC or UOB or the mBanking Interface of DBS Bank or UOB, as the case may be, through which your Electronic Application is being made shall be rejected.**
13. You may apply and make payment for your Electronic Application for the Public Offer Notes in Singapore currency in cash only. You may apply for the Public Offer Notes through any ATM or IB website of your Participating Bank or the mBanking Interface of DBS Bank or UOB (as the case may be) by authorising your Participating Bank to deduct the full amount payable from your bank account(s) with such Participating Bank.

An application for the Public Offer Notes is subject to a minimum of S\$1,000 in principal amount of Public Offer Notes per application or such higher amounts in integral multiples of S\$1,000 thereof.

14. You irrevocably agree and undertake to subscribe for and to accept the principal amount of the Public Offer Notes applied for as stated on the ATM Transaction Record, the IB Confirmation Screen or the mBanking Confirmation Screen or any smaller principal amount of the Public Offer Notes that may be allocated to you in respect of your Electronic Application. In the event that the Issuer and the Guarantor decide to allocate a smaller principal amount of such Public Offer Notes or not to allocate any Public Offer Notes to you, you agree to accept such decision as final. If your Electronic Application is successful, your confirmation (by your action of pressing the “Enter” or “OK” or “Confirm” or “Yes” key or any other relevant key on the ATM of any relevant Participating Bank or your action of clicking “Confirm” or “OK” or “Submit” or “Continue” or “Yes” or any other relevant button on the IB website screen of DBS Bank, OCBC or UOB or

your action of clicking “Confirm” or “OK” or “Submit” or “Continue” or “Yes” or any other relevant button on the mBanking Interface of DBS Bank or UOB) of the principal amount of the Public Offer Notes applied for shall signify and shall be treated as your acceptance of the principal amount of the Public Offer Notes that may be allocated to you. You also authorise CDP to complete and sign on your behalf as transferee or renounce any instrument of transfer and/or other documents required for the transfer of the Public Offer Notes that may be allotted to you.

15. The Issuer and the Guarantor will not keep any applications in reserve. Where your Electronic Application is invalid or unsuccessful, or is accepted or rejected in part only or rejected in full for any reason whatsoever, the full amount or, as the case may be, the balance of the amount paid on application will be returned or refunded in Singapore dollars (without interest or any share of revenue or other benefit arising therefrom) to you by being automatically credited to your bank account with your relevant Participating Bank, at your own risk, within 24 hours after balloting and/or allocation of the Public Offer Notes, the receipt by such bank being a good discharge to the Issuer, the Guarantor, the Joint Lead Managers and Bookrunners and CDP of their obligations, provided that the remittance in respect of such application has been honoured and application moneys received in the designated issue account.
16. If the Offer does not proceed for any reason, the full amount of application moneys (without interest or any share of revenue or other benefit arising therefrom) will be returned to you at your own risk within 14 days after the Offer is discontinued, in the manner described in the immediately preceding paragraph.
17. Responsibility for the timely refund of application moneys from unsuccessful or partially successful Electronic Applications lies with the relevant Participating Bank. Therefore, you are strongly advised to consult the relevant Participating Bank as to the status of your Electronic Application and/or the refund of any moneys to you from an unsuccessful or partially unsuccessful Electronic Application, to determine the exact amount of the Public Offer Notes allocated to you, if any, before trading the Notes on the Mainboard of the SGX-ST. None of the SGX-ST, CDP, SCCS, the Participating Banks, the Issuer, the Guarantor or the Joint Lead Managers and Bookrunners assumes any responsibility for any loss that may be incurred as a result of your having to cover any net sell positions or from buy-in procedures activated by the SGX-ST.
18. **If your ATM Electronic Application, Internet Electronic Application or mBanking Application is unsuccessful, no notification will be sent by the relevant Participating Bank.**
19. The results of the Offer is expected to be announced through an SGXNET announcement on or about 15 September 2022. CDP Securities Account holders will be able to check on the status of their application by logging in to the CDP Internet portal at <https://investors.sgx.com> after 5 p.m. on 16 September 2022. CDP will also be sending an electronic confirmation note to investors who have email addresses registered with CDP and who have successfully been allotted the Public Offer Notes. For investors who do not have email addresses registered with CDP and who opt to receive physical notification, it is expected that CDP will send a physical confirmation to you within three Market Days after the date on which the Notes are credited.
20. Electronic Applications shall close at 12 noon on 14 September 2022 or such other time(s) and/or date(s) as the Issuer and the Guarantor may (at their absolute discretion) decide, with the approval of the SGX-ST (if required) and in consultation with the Joint Lead Managers and Bookrunners and subject to any limitation under any applicable laws. All Internet Electronic Applications and mBanking Applications must be received by 12 noon on 14 September 2022, or such other date(s) and time(s) as the Issuer and the Guarantor may (at their absolute discretion) decide, in consultation with the Joint Lead Managers and Bookrunners. Internet Electronic Applications and mBanking Applications are deemed to be received when they enter the designated information system of the relevant Participating Bank.
21. You are deemed to have irrevocably requested and authorised the Issuer and the Guarantor to:
 - (a) register the Public Offer Notes allocated to you in the name of CDP for deposit into your Securities Account;
 - (b) send the Global Certificate to CDP; and

- (c) return or refund (without interest or any share of revenue or other benefits arising therefrom) the full amount or, as the case may be, the balance of the amount paid on application in Singapore dollars, should your Electronic Application be accepted or rejected in part only or rejected in full, by automatically crediting your bank account with your relevant Participating Bank with the relevant amount within 24 hours after balloting and/or allocation of the Public Offer Notes, or should the Offer not proceed for any reason, within 14 days after the Offer is discontinued, the receipt by such bank being a good discharge to the Issuer, the Guarantor, the Joint Lead Managers and Bookrunners and CDP of their obligations, PROVIDED THAT the remittance in respect of such application has been honoured and application moneys received in the designated issue account.
22. You irrevocably agree and acknowledge that your Electronic Application is subject to risks of electrical, electronic, technical and computer-related faults and breakdowns, fires, acts of God and other events beyond the control of the relevant Participating Bank, the Issuer, the Guarantor and/or the Joint Lead Managers and Bookrunners and if, in any such event, the Issuer, the Guarantor, the Joint Lead Managers and Bookrunners and/or the relevant Participating Bank do not record or receive your Electronic Application, or data relating to your Electronic Application, or the tape containing such data is lost, corrupted, destroyed or not otherwise accessible, whether wholly or partially for whatever reason, you shall be deemed not to have made an Electronic Application and you shall have no claim whatsoever against the Issuer, the Guarantor, the Joint Lead Managers and Bookrunners and/or the relevant Participating Bank for the Public Offer Notes applied for or for any compensation, loss or damage.
23. The existence of a trust will not be recognised. Any Electronic Application by a trustee must be made in his own name and without qualification. The Issuer and the Guarantor will reject all Electronic Applications by any person acting as nominee.
24. All your particulars in the records of your relevant Participating Bank at the time you make your Electronic Application shall be deemed to be true and correct and your relevant Participating Bank and the Relevant Parties shall be entitled to rely on the accuracy thereof. If there has been any change in your particulars after the making of your Electronic Application, you shall promptly notify your relevant Participating Bank.
25. **You should ensure that your personal particulars as recorded by both CDP and the relevant Participating Bank are correct and identical, otherwise, your Electronic Application is liable to be rejected.** You should promptly inform CDP of any change in address, failing which the notification on successful allocation and other correspondence from CDP will be sent to your last registered address with CDP.
26. By making and completing an Electronic Application, you are deemed to have agreed that:

We will continue to work on our sustainability processes and performance, as we identify opportunities to offer better experiences and high-quality properties for our stakeholders. ”

PANOTE SIRIVADHANABHAKDI
Group Chief Executive Officer

Frasers Property’s Sustainability Framework demonstrates its commitment to all stakeholders that sustainability is a key agenda at Frasers Property. Setting out its sustainability priorities for the Group through 2030, the Sustainability Framework is driven by three pillars, namely **Acting Progressively, Consuming Responsibly and Focusing on People**. These three pillars form a multi-disciplinary approach that recognises 13 corresponding environment, social and governance (ESG) focus areas.

Our sustainability strategy is the impetus of value creation across our business. We are to raise sustainable ideals across the board to build a more resilient business. While doing so, we recognise our position as a multi-national organisation, and strive to respond to the wider global sustainability agenda to create a future that is both environmentally sound and socially inclusive. In our pursuit of a shared purpose, we have aligned our approach to the UN Sustainable Development Goals (SDGs) to demonstrate our contributions to addressing the world’s most urgent sustainability challenges.

Frasers Property has been supporting the 2030 Agenda for Sustainable Development and the 17 UN SDGs since 2017. These SDGs establish a clear pathway and framework for how our businesses can work towards creating a more positive future by 2030. Our sustainability goals and framework are aligned to the eight SDGs where our business can make the most significant impact.

Sustainable Development Goal	Frasers Property's Contribution
3) Good Health and Well-being	We proactively promote health, well-being and the safety of our stakeholders.
7) Affordable and Clean Energy	We focus on the use of energy-efficient solutions across the portfolio and renewable energy wherever possible.
8) Decent Work and Economic Growth	We uphold fair employment practices and take steps to mitigate both social and environmental risks along our supply chain. We promote the social inclusion of all, irrespective of age, gender, disability, race, ethnicity, origin, religion or status.
9) Industry, Innovation and Infrastructure	We foster an innovation mindset through design thinkers across the business.
10) Reduced Inequalities	The progressive work we have done around diversity, equity and inclusion ensures we are creating a diverse and inclusive workplace where differences are valued.
11) Sustainable Cities and Communities	We create places that sustain communities and the environment through design and investment decisions.
13) Climate Action	We are acting to build, own and manage resilient properties across our portfolio, and to achieve net-zero carbon emissions across our entire value chain by 2050.
17) Partnerships for the Goals	We foster community connectedness by developing strong partnerships with a wide range of stakeholders from across the industry, government, and public sectors.

As an integrated real estate company, Frasers Property's sustainability impacts extend across the value chain of activities from acquisitions, design and construction to property and asset management, sales and transactions. Hence, Frasers Property endeavours to embed sustainability elements in every stage of its value chain, guided by its Sustainability Framework. Frasers Property strives to improve its sustainability processes and performance while identifying opportunities to provide better services and offerings for stakeholders.

All the leaders of Frasers Property agree that sustainability has to be developed as a core capability. Beyond just managing risks, sustainability provides opportunities to future-ready our business through innovation and long-term strategic planning. In FY2020, our leaders established five new sustainability goals that will guide Frasers Property to 2050.

Establishing these **initial five goals** is a key milestone as we further strengthen our sustainability core and integrate sustainability into our business operations.

To Be a Net-Zero Carbon Corporation by 2050

With real estate industry responsible for about 39% of energy- and process-related emissions, tackling climate change is our top priority. Many countries have set targets to achieve carbon neutrality, including Europe by 2050. In line with the UN Sustainable Development Goals and Intergovernmental Panel on Climate Change recommendation, Frasers Property will take bold action to achieve net-zero carbon emissions by 2050. By 2022, all our businesses will have completed the development of their net-zero carbon roadmaps and carbon reduction targets using a science-based approach.

GOAL
#2

To Be Climate-Resilient and Establish Adaptation and Mitigation Plans by 2024

Scenario analysis of possible climate related outcomes – such as the impact from temperature increases (below 2oC scenario: RCP 2.6 and below 4oC scenario: RCP 8.5) – demonstrate how our business might perform in the future. Such insights inform decisions on risk adaptation and identify opportunities and business strategies now. We will carry out climate risk assessments and implement asset-level adaptation and mitigation plans by 2024 and align our reporting with the Task Force on Climate-related Financial Disclosures framework.

GOAL
#3

To Green-certify 80% of Our Owned and Managed Assets by 2024

Green buildings contribute to many aspects of environmental sustainability, from being energy- and water-efficient and optimising the use of resources to providing healthy environments for tenants. With over 200 buildings green-certified since 2005, we are setting a goal to certify 80% of all our owned and managed assets by 2024, and to have all new projects under development to be certified by 2021. There are various certification schemes that we adopt, such as Green Mark in Singapore and Vietnam, Green Star in Australia and Europe, BREEAM in the UK, and WELL and LEED in Thailand.

GOAL
#4

To Finance the Majority of Our Sustainable Asset Portfolios with Green and Sustainable Financing by 2024

Green and sustainable financing plays an important role to encourage businesses to prioritise sustainable development. Green and sustainable financing also provides access to a wider pool of financing partners and direct savings on financing costs. Since 2018, we have secured a total of 22 green / sustainability-linked loans and two sustainability bonds amounting to about \$6 billion. We have set a goal to finance the majority of our sustainable asset portfolios with green and sustainable financing by 2024.

**GOAL
#5**

To Train All our Employees on Sustainability by 2021

For us to be sustainable, our people have to understand and believe in our goals and have the ability to act sustainably. In recent years, we have created awareness among our employees and stakeholders through activation campaigns and training programmes. We want to go further with the aim to train all our employees on sustainability by 2021 and extend this training to our supply chain and other stakeholders beyond 2021.

2. Green Finance Framework

In line with the Group’s sustainability framework, FPTPL has developed this Green Finance Framework (“Framework”) which is designed to facilitate the issuance of green bonds and green loans by the Group. This Green Finance Framework has been prepared in line with the International Capital Market Association’s Green Bond Principles (June 2021) and Asia Pacific Loan Market Association, Loan Market Association and Loan Syndications and Trading Association’s Green Loan Principles (February 2021).

It is Frasers Property’s intention to follow best practices relating to green bonds and green loans as market standards develop. FPTPL’s Green Finance Framework may therefore be amended and/or updated to reflect changes in market practice.

Buildings account for approximately 39% of the world’s greenhouse gas emissions, according to the World Green Building Council. Of this, 28% comes from operational assets, and another 11% comes from embodied carbon through the production of building materials. As a major multi-national real estate company, through the issuance of our green bonds and green loans, we aim to finance those project that enable reductions in our energy consumption and carbon emissions, as well as water consumption and waste generation, as part of fighting climate change and environmental degradation.

The Green Bond Principles (“GBP”) and the Green Loan Principles (“GLP”) are voluntary guidelines that recommend transparency and disclosure and promote integrity in the development of the sustainable finance market by clarifying the approach for issuance of a Green Bond or Green Loan.

The four core components of the GBP and the GLP are:

1. Use of Proceeds
2. Process for Project Evaluation and Selection
3. Management of Proceeds
4. Reporting

2.1 Use of Proceeds

The Framework has been prepared to demonstrate how the Group will, through its wholly owned subsidiary FPTPL, issue Green Bonds or Green Loans and use the net proceeds of any Green Bond or Green Loan issuances to finance or refinance, in whole or in part, one or more new or existing Eligible Projects, and may, from time to time, be updated. "Eligible Projects" include expenditures made by FPTPL or any of our subsidiaries in accordance with the Eligibility Criteria listed below:

- Green building portfolios for entities and/ or REITs invested and/ or financed by FPL that receive at least 4 star rating from GRESB (Global Real Estate Sustainability Benchmark) Real Estate Assessment as per the latest available GRESB Benchmark Reports. GRESB assesses the sustainability performance of real estate and infrastructure portfolio and assets worldwide against a globally recognized ESG framework consisting of 7 sustainable performance aspects and approximately 50 indicators. These indicators include performance measurement in the areas such as water, energy, waste and greenhouse gas emissions in line with our commitment to sustainability. One or more of the criteria above mentioned may be used interchangeably and will be defined in each of the issuance.

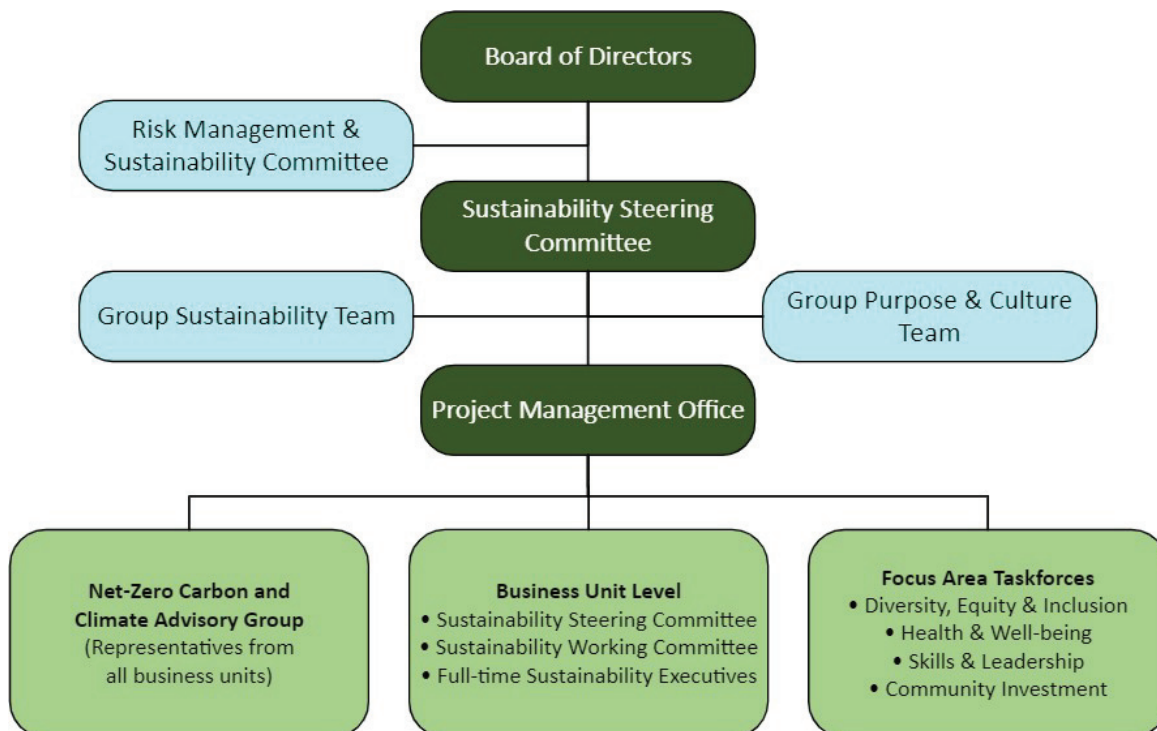

2.2 Process of Project Evaluation and Selection

A Sustainability Steering Committee (“SSC”) comprising senior management meets six times a year to drive the sustainability strategy, review sustainability performance and approve action plans and policies to internalise the sustainability practices. This Committee is supported by the Group Sustainability Team and a Project Management Office, as well as a Net-Zero Carbon and Climate Advisory Group assembled from middle management representatives across our business units. The teams support the business units in developing their sustainability action plans and monitoring their sustainability performance.

In addition, some business units have formed their own governance structures with steering committees and working committees to further internalise sustainability priorities. Dedicated taskforces have also been set up to advance Group focus areas such as diversity and inclusion and health and well-being. Continuing to invest in significant resources required to drive sustainability, the Group has over 20 full-time sustainability professionals employed across our key operations in Singapore, Australia, Thailand, Vietnam, Europe and the UK. Together, they form one of the largest sustainability teams among our real estate peers.

The Group Sustainability Team, Project Management Office, Net-Zero Carbon and Climate Advisory Group together with Treasury will be responsible for the assessment and selection of green projects, ensuring alignment with this Framework. In addition, projects allocated funding from the issuance proceeds will undergo an internal process including final review and approval by our business units.

Group Sustainability Team, Project Management Office, Net-Zero Carbon and Climate Advisory Group and Treasury will also be responsible to review and update the Framework in accordance with the latest development in sustainable finance.

2.3 Management of Proceeds

FPTPL will establish a Green Project Register in relation to Green Bonds and Green Loans issued by FPTPL for the purpose of recording its green financing and the allocation of the net proceeds from Green Bonds and Green Loans to eligible green projects.

Treasury and finance department will track the actual amount of net proceeds of any Green Bond or Green Loan spent on eligible green projects. FPTPL strives to ensure that the total amount of selected projects in the Green Project Register always exceeds the total balance of all outstanding Green Bonds and Green Loans. If any eligible green project ceases to fulfil the Eligibility Criteria, FPTPL will on a best effort basis remove it from the Green Project Register as soon as reasonably practicable. Where necessary, additional projects will be added to the Green Project Register following the process outlined in Section 2.2.

Any unallocated proceeds from the Green Bonds or Green Loans may be temporarily invested in cash, cash equivalents, and/or held in accordance with our general liquidity guidance.

2.4 Reporting

To enable investors and other stakeholders to assess FPTPL's Green Bond issuances and how the net proceeds are allocated, annually, until all the proceeds have been fully allocated, and on a timely basis in case of material developments, where relevant and feasible we will publish a Green Bond Report, on Frasers Property's website, which may include:

- a) Allocation Reporting
 - the amount of net proceeds allocated per eligible project category.
 - a description of the approved eligible green projects/assets that have been financed by the Green Bonds including expected impact metrics, where feasible.
 - information about the split of Green Bond proceeds between new assets and re-financing; and
 - the outstanding amount of net proceeds to be allocated to eligible green projects at the end of the reporting period.

- b) Impact Reporting
 - Number or percentage of buildings with Green Building Certificates financed by the Green Bonds
 - Energy Consumption (MWh) for the eligible green projects financed by the Green Bonds
 - GHG emission (tonnes) for the eligible green projects financed by the Green Bonds
 - Updated GRESB Benchmark Report (incl. rating) for each green building portfolio financed by the Green Bonds

For Green Loans, FPTPL aims to make the relevant information readily available as required by GLP, and subject to the Lender's requirement per loan documentation.

3. External Review

FPTPL has engaged Deloitte to provide a limited assurance engagement on this Green Finance Framework as at 22 April 2022, where the overarching criteria and guidelines of the Framework are in accordance with the Principles. The assurance letter, as well as the Green Finance Framework will be made available on Frasers Property's website.
