

Dear Valued Client,

Account Update Exercise

As a regulatory procedure and also to ensure that we are able to keep in touch with our clients, iFAST will be conducting our Annual Account Update Exercise for all iFAST accounts. This is to ensure that your particulars are kept up to date in our records, and that you receive all important communication regarding your account(s).

To update your account, please login to our website at www.ifastfinancial.com.sg and click on 'LOGIN', followed by 'Client Login'. If you have forgotten your user ID or password, please click on the '[Forget Password?](#)' or '[Forget Login ID?](#)' links on the page and follow the instructions accordingly.

You will be prompted to update your account details, employment status and address upon client web login. For clients with more than one iFAST account (within the same login), you will only need to update your account details once upon login as the changes will be updated across all your other accounts as well.

If you need to update your contact number or email address, please access the form found at the link below and mail to us a printed copy, or email a scanned copy to ifastadmin@ifastfinancial.com. If there is no change to be made to your particulars, no action is required from you.

Main Account Holder	https://secure.ifastnetwork.com/ifastverve/download/forms/iFAST-Account_Update_AnnualUpdate(M).pdf
Business Reply Envelope (for Singapore addresses only)	

If there is a joint account holder for your account and there are particulars to be updated, please access the form found at the link below and mail to us a printed copy, or email a scanned copy to ifastadmin@ifastfinancial.com.
